

## **Company Philosophy**

Founder Jeff Zir

**East Rich** Enterprise is one of world's major OEM/ODM professional brushes manufacturers. We are devoted to bringing best quality and service to our customers. We are willing to grow up with our customers and build up great reputation together.

#### **Breakthrough**

We have the meticulous brushes which are produced with the hand-made technique passed from generation to generation. We always keep pace with times and our brushes are the combination of innovation and tradition. Our brushes are not just tools but also an artistic decoration. We believe that with extraordinary wisdom, pioneering, determination and professional skills, we can overcome all kinds of challenges and make continuous progress.

#### Reliable

We have always kept our intentions of our company since our company was funded and they are sincerity, pragmatism and dedication. The company has accumulated relief, caring and sincere service of our brand name and won the recognition and respect from customers. We believe this is the way to ensure the brand to last forever.

#### Unsurpassed

Each brush from us is born through the craftsman's exquisite craftsmanship. Only a fine craft can show the value of classics. After quenching and deposition with unique creativity through inner satisfaction and appearance, the brush is given a refreshing life.

#### **Service**

We have a responsibility to provide the highest level of after-sales service as one of the important criteria for our brand mark. For customers, this means lifelong care and care to ensure that their performance is superior and reliable enough to be passed on from one generation to the other.

#### Honest

We insist that each brush needs to maintain excellent quality, which is not only the pipeline to show the integrity of our brand, but also the rule to carry out the business. The commitment to guests will be at all costs, with sincere ethics and a solid concept, to achieve the company's sustainable business goals.
